

SCIENCE CONCEPT TEST

ANSWER KEY

Though much of the focus of *Alien Rescue* is on problem-solving, students should learn a great deal of factual knowledge through their work on this program. It is recommended that you review this test early enough in the program to make sure that class discussions address each of the topics covered in the test.

A factual knowledge test is provided. This is the full test that is recommended for most students. This test has 24 items. The last five items on this test are the most difficult, so you may wish to eliminate the last five items of the test if you decide these items are too difficult for your students.
