

# ALIEN NEEDS

## IMPORTANT INFORMATION STUDENTS SHOULD FIND

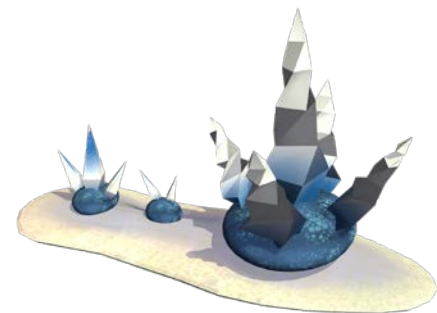

Students should identify *at least* the following needs for each species. If you have students compile a list of needs as a class, you may want to prompt them if they are missing any of the following. If students generate additional needs, make sure that they are accurate and that they actually represent a need rather than simply a characteristic of the species.

## THE AKONA

Akona	Location of Hint in Alien Database
· 10K to 100K	Habitat, Inhabited Worlds: Akonid
· Carbon, nitrogen	Food
· Little atmosphere	Dwellings
· Hard surface	Dwellings
· No seismic activity	Body
· Mountains	Inhabited Worlds: Akonid
· Gravity is one-eighth Earth's	Inhabited Worlds: Akonid

[Back to Top](#)

## THE EOLANI

Eolani	Location of Hint in Alien Database
· Oxygen in atmosphere	Habitat
· Water	Habitat
· Prefer 270-300K, can raise temperature 100K	Habitat, Technology
· No seismic activity	Dwellings
· Gravity about one-quarter of Earth's	Inhabited Worlds: Eola
· Magnetic field	Inhabited Worlds: Eola

[Back to Top](#)

## THE JAKALA-TAY

Jakala-Tay	Location of Hint in Alien Database
· Sulfur in atmosphere	Habitat
· Nitrogen	Food
· No hydrogen	Habitat
· Metals	Dwellings
· Earthquakes okay	Dwellings

· Temperature 200-500K	Inhabited Worlds: Tay
· Gravity is one-third of Earth	Inhabited Worlds: Tay

#### THE KAYLID

Kaylid	Location of Hint in Alien Database
· 100K - 650K (sleep below 250K)	Habitat, Inhabited Worlds: Kayl
· Oxygen, sodium	Technology
· Caves	Habitat, Inhabited Worlds: Kayl
· Iron and nickel	Inhabited Worlds: Kayl
· No strong earthquakes	Inhabited Worlds: Kayl
· Gravity is one-half Earth's	Inhabited Worlds: Kayl

[Back to Top](#)

#### THE SYLCARI

Sylcari	Location of Hint in Alien Database
· Water, ocean	Body, Habitat, Inhabited Worlds: Sylcar

· Calcium (for melk)	Dwellings
· Gravity about one-fifth of Earth's	Inhabited Worlds: Sylcar
· Needs atmosphere	Food

[Back to Top](#)

## THE WROFT

Wroft	Location of Hint in Alien Database
· Thick atmosphere	Habitat
· Surface (maybe not necessary)	
· No lightning	Habitat
· Carbon in atmosphere	Food
· Sulfur (not necessary)	Food
· No magnetic field	Body
· Gravity is six-tenths of Earth's, but not important	Habitat, Inhabited Worlds: Wroft-Gar
· 400K near surface, 100K high in atmosphere	Habitat, Inhabited Worlds: Wroft-Gar
